

2017 Tax Reporting

The actual slips you receive will depend on the types of accounts you have and the specific securities you own. Should you have questions or if you think you are missing tax slips, please contact us at operations@lonsdaleportfolios.ca or 416-866-2270 or 1-855-566-2690.

CORRECTIONS TO WITHHOLDING TAX RATE

Lonsdale Portfolios and its service partners make every effort to ensure non resident tax is withheld at the correct rate, based on your actual residency. Unfortunately, Canada Revenue Agency ("CRA") does not permit Lonsdale Portfolios to reimburse your account for excess tax deducted.

If you are a Canadian resident, you may claim a refund by including the NR4 slips with your Canadian income tax return.

If you are a non-resident, and you believe you qualify for a lower tax rate, you may apply for a refund using form NR7-R, An Application For Refund of Non-resident Tax Withheld. Additional information is available in Informational Circular IC 77-16R4, in the section entitled, "How to Claim A Refund."

The circular and the application are available at www.cra-arc.gc.ca.
